Please note:

- * All charter bookings are for a duration of 8 hours, scheduled the day before check-in.
- * For safety reasons, all boats must return to port before nightfall.
- * Fuel costs will depend on the route taken, will be agreed upon during check-in, and are always charged separately from the boat rental price.

This catalogue is just a sample of our full fleet, with over 400 boat models available across the various ports of Ibiza.
